Saving Lives Through Flight

To underprivileged children throughout Guatemala, balanced diets, yearly checkups, ambulances and school supplies are unknown. Through the use of a small aircraft, Great Commission Air is working to provide these necessities. GCA is also serving the region by providing transportation for Christian missions that are working diligently to provide social programs and spiritual teaching - missions that are providing hope.

Now more than ever your contributions and help are needed to make it possible for Great Commission Air to continue saving lives – spiritually and physically.

Thousands of people are waiting for our help. We're waiting for yours.
